HELP US EXPLORE LOG IN MESSAGES

### Method 1 of 3: Taking a Full Screen Screenshot

common file types are JPG and PNG. The recommended format for screenshots is PNG, due to the high quality and small file size.

- You can also paste the screenshot into other programs, such as Word or into the body of an email. Simply open the program that you want to paste the image into and press `^Ctrl+V`.

3 Save a full-screen screenshot directly to a file in Windows 8. When you press `Win+PrtSc`, you will save a full-screen screenshot directly to a file without having to paste it into another program first. The file is saved to the Screenshots folder in your Pictures folder. If the Screenshots folder does not exist, Windows will create one.

- The picture is saved in PNG format.
- Screenshots are automatically labeled "Screenshot", and a number will appear in parentheses for each consecutive screenshot.

Clean Harbors Hazardous Waste Disposal & Recycling Services provide the widest range of recycling, treatment and disposal options for all your hazardous waste streams. Unmatched in North America, our infrastructure of hazardous waste management facilities services all of the U.S., and Canada, northern Mexico and Puerto Rico. We handle both drum and bulk hazardous waste in liquid, solid, semi-solid, sludge and gas forms.

### One Call Handles All of your Hazardous Waste Disposal Needs

Organizing multiple vendors is costly, time-consuming, and may leave gaps in your hazardous waste program that increase your risk or leave you open to compliance infractions.

Clean Harbors provides a single source for all your hazardous waste disposal needs. From PCBs to cyanides and explosives, we handle it all. All of our services are designed to work together seamlessly, making the entire process is easier, safer, and more cost-effective.

Through a highly coordinated truck, rail and ship transportation network, Clean Harbors provides reliable, cost-effective transportation and hazardous waste disposal.

We employ the most advanced technologies to recycle, treat or dispose of your hazardous waste materials including:

- [recycling](#)
- [fuel blending](#)
- [wastewater treatment](#)
- [incineration](#)
- [landfill disposal](#)
- [explosives management](#)

### Reducing Liabilities

All of our disposal facilities uphold rigorous quality assurance programs to meet the highest standards of both internal and external audits. Your exposure to risk is minimized.

### Health & Safety is Priority One

Clean Harbors is the only company in the environmental services industry with OSHA VPP star certified facilities. Facilities awarded the certification have occupational injury rates below the state and national averages. [learn more about Clean Harbors VPP activities »](#)

### Complete, Continuous Compliance

Regulations are complex, and even a minor infraction can cost you time and money. Clean Harbors provides the expert service to ensure your hazardous waste management program is always up to code. Learn more about the [U.S. EPA hazardous waste guidelines and waste types](#). Learn more about [Environment Canada and pollution and waste management](#).

### Manage Your Hazardous Waste Streams Online

Our Online Services Portal provide customers with instant access to key records related to their transactions, shipment tracking and waste profiles. You can easily manage all your waste management activities including waste profiling, drum scheduling, management reports, on-site inventory, online tracking, and manifest and invoice viewing. Learn more about Clean Harbors [Online Services](#).

### Non-Hazardous Waste

Clean Harbors can also manage the recycling, treatment, and disposal of your non-hazardous waste.

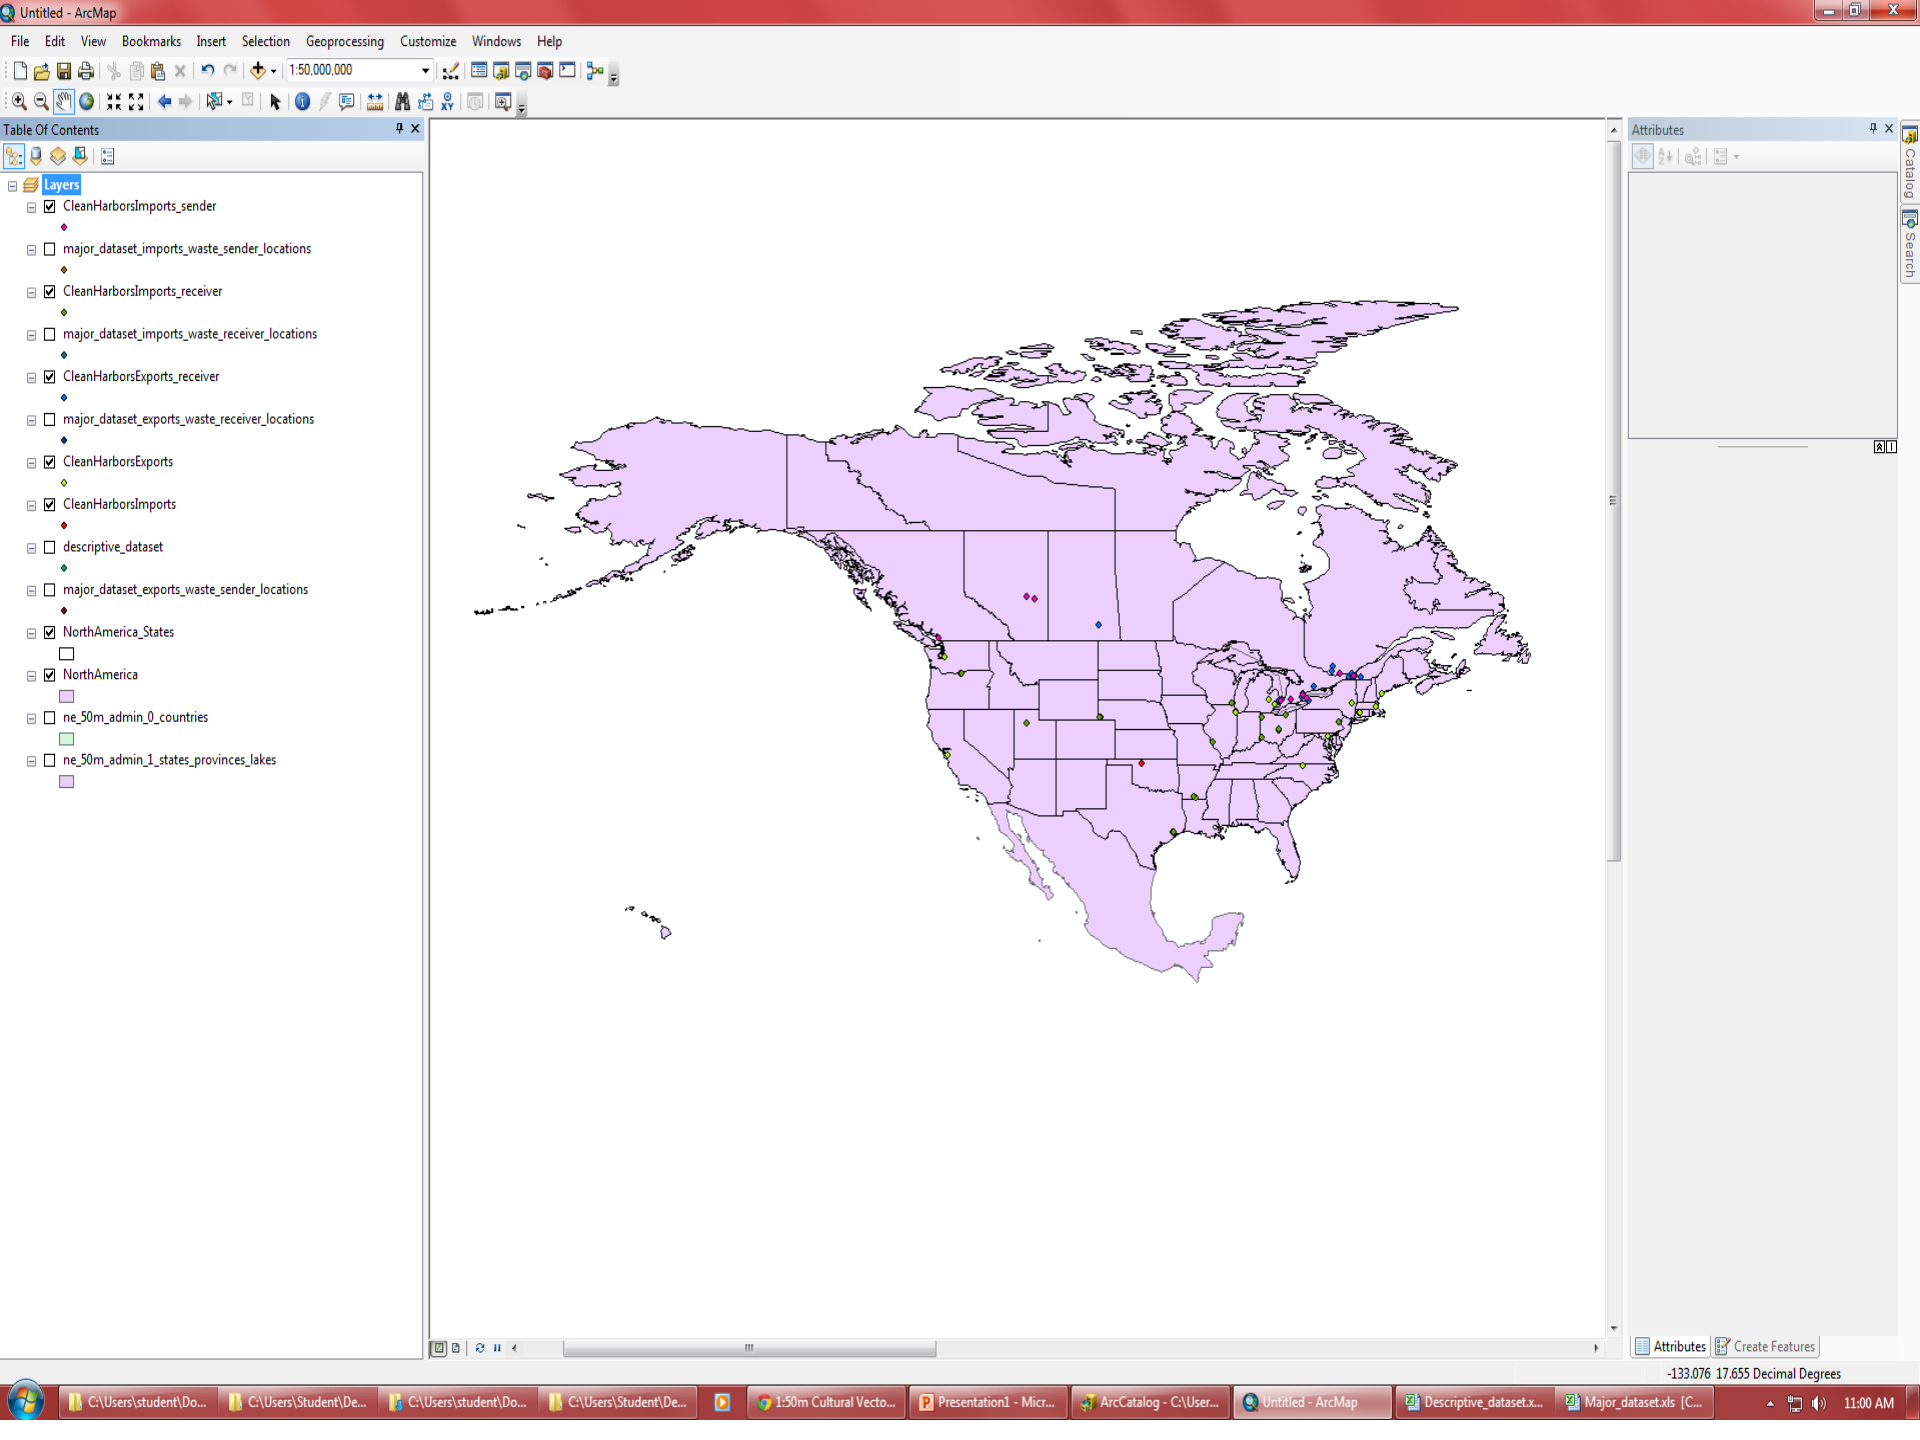

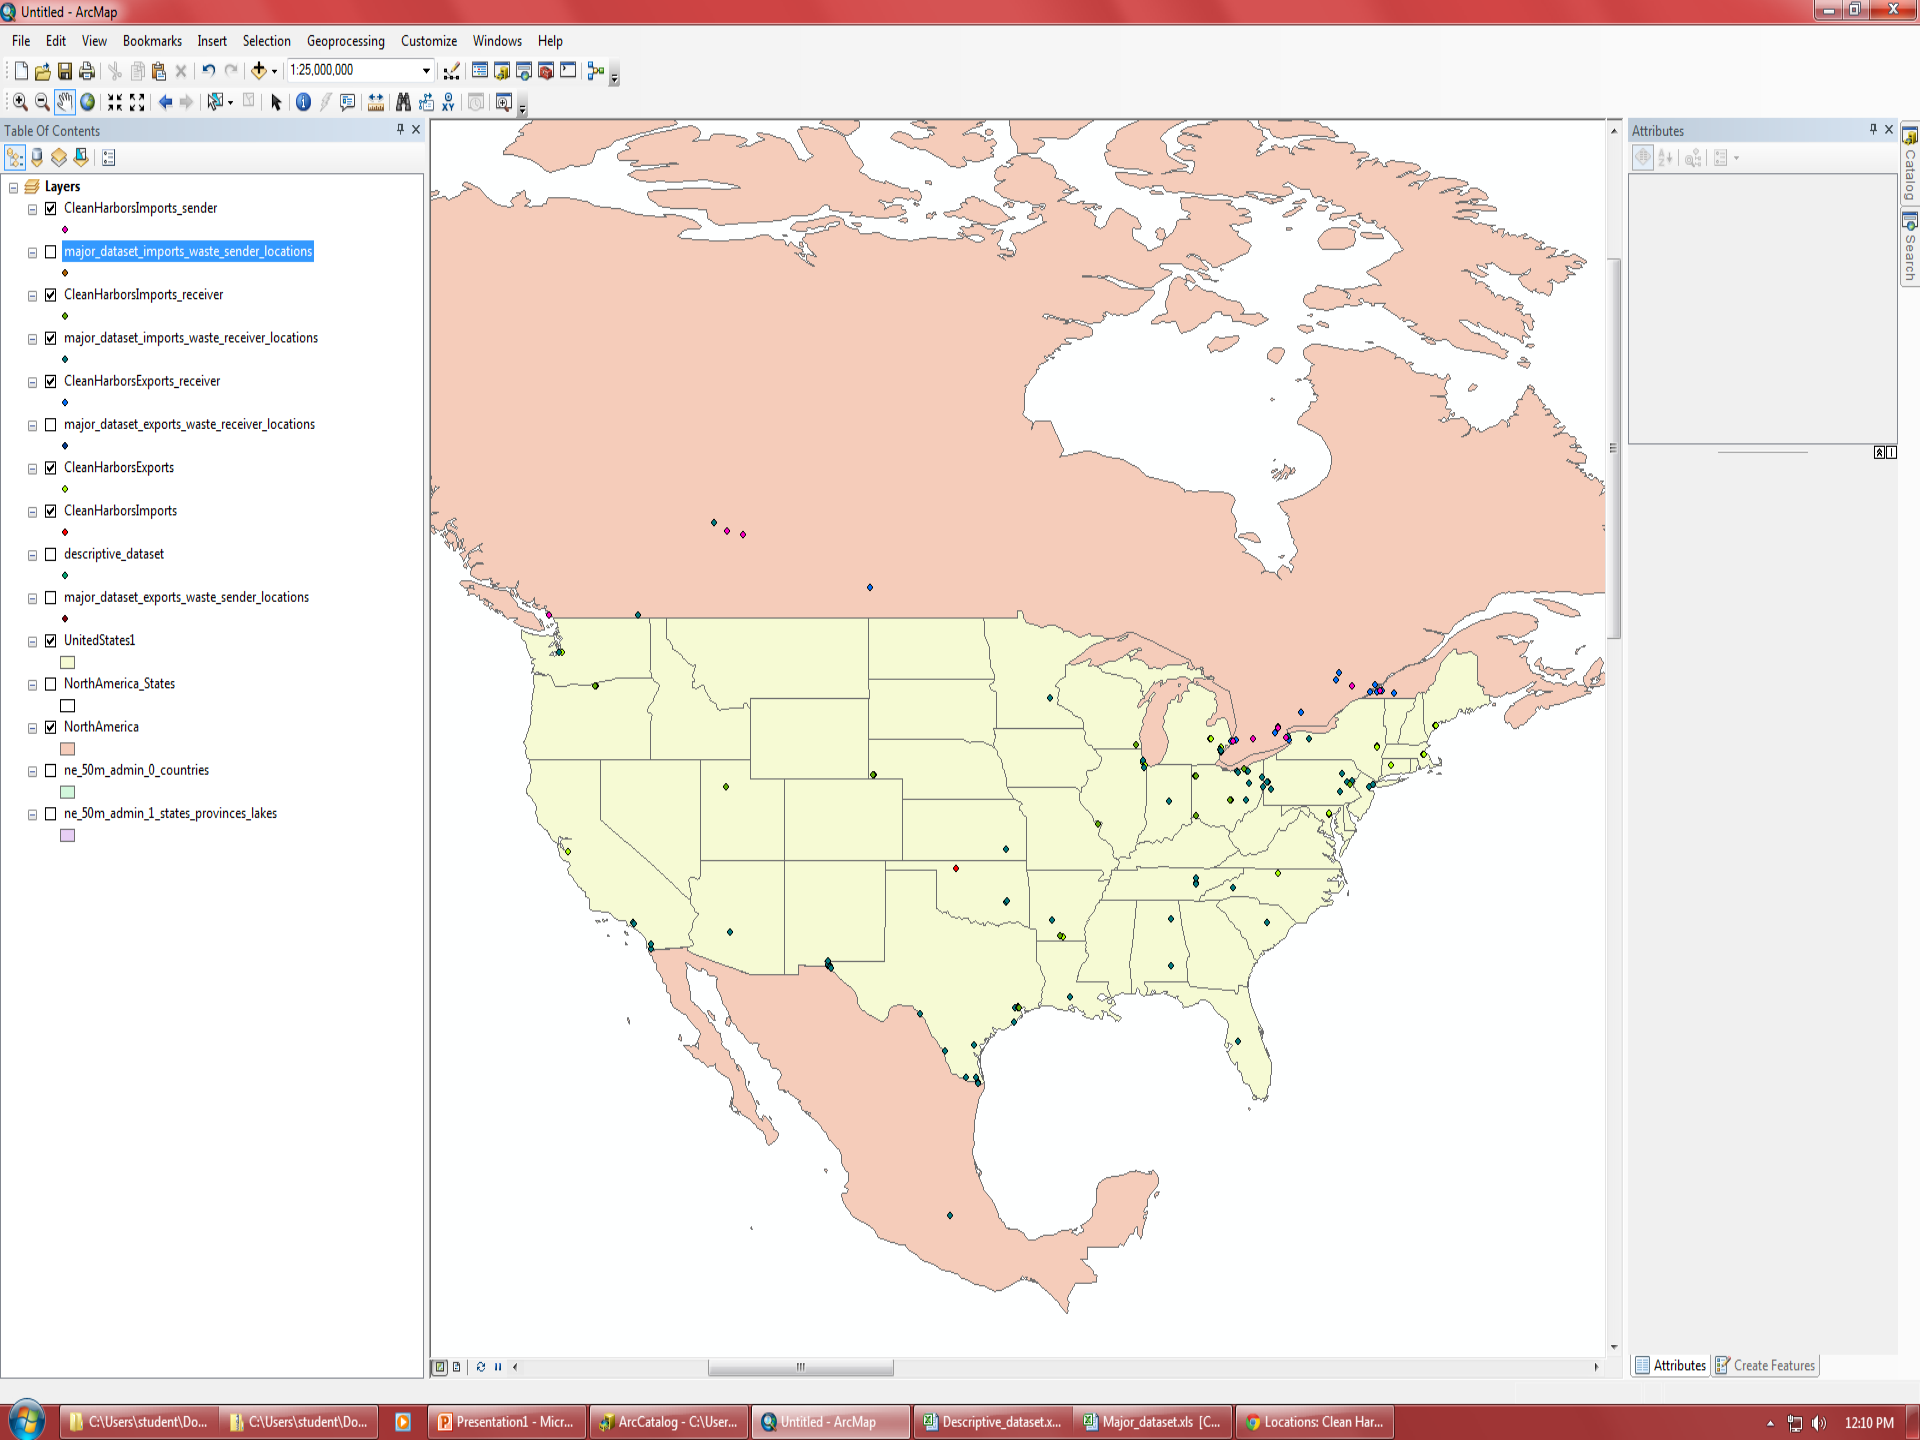

### Need more information about Hazardous Waste Disposal?

- ☐ Download a [facility fact sheet](#) for any Clean Harbors facility
- ☐ Find a [Clean Harbors hazardous waste management](#) location near you
- ☐ Use our [Information Download](#) services to instantly obtain brochures, fact sheets and white papers, or if you prefer,
- ☐ Use our [Information Request form](#) and a representative will assist you.
- ☐ Hazardous Waste emergency? [Contact us by phone](#) for an immediate response.

Clean Harbors also provides customized industry solutions for Hazardous Waste Disposal.

Be sure to explore the full range of [industry-customized hazardous waste disposal options](#) that are available for most major industries.
